COSMECEUTICAL FACIALS

By Janssen Cosmetics

Providing pharmaceutical grade skincare for every skin type.

The symbiosis of pharmaceutical and cosmetic active ingredients makes our products highly effective problem solvers. Our cosmeceuticals combine the best from the fields of pharmacy and cosmetics.

Our system care products are based on multiple, highly effective, and efficient active ingredients.

They enable the transition between pure beauty care and scientifically based skincare. Each of our cosmeceutical series is based on an active ingredient concept that is optimally tailored to a specific skin type in order to achieve visible as well as measurable results and to improve the respective skin appearance.

In order to achieve this, it is necessary that the products not only reach the skin's surface but also have a deep effect under the skin. The different demands and needs of the individual skin are specifically catered for.

To further enhance the effect of cosmeceuticals, we have a Professional range that is exclusively reserved for beauticians.

We leave no wish or need unfulfilled for the skin. We're the mature skin experts.

JANSSEN SENSITIVE SKIN FACIAL

SENSITIVE SKIN by Janssen Cosmetics is suitable for the care of extremely sensitive skin with an anti-redness moisturizer for skin prone to rosacea and couperose. This product range is advisable for skincare during chemotherapy, as the collection contains allergen-free perfume and is preservative-free according to Cosmetic Regulations in Germany.

JANSSEN OILY SKIN FACIAL

Effective skin care for blemished, acne-prone skin. Blemished skin is not a question of age or gender, often, the problems start during puberty and can continue into adulthood. Three causes of blemished skin are considered to be: the tendency toward follicular hyperkeratosis, disorders in sebum production and excessive bacterial colonisation of the skin flora. There is also a difference between acne oleosa, which can arise from an oily, moist skin condition, and acne sicca, which doesn't produce enough sebum and is more typical of ageing skin.

60-mins £89.00

JANSSEN DRY SKIN FACIAL

This treatment is designed to deeply moisturize and nourish the skin, leaving it feeling soft and supple.

It helps to replenish, increase blood flow and promote lymphatic drainage which can help to reduce puffiness and improve the overall appearance of the skin.

PREGNANCY RELIEF MASSAGE

Pregnancy massage is a specialized type of massage therapy designed for expectant mothers to help alleviate the physical and emotional stress of pregnancy. The massage typically involves using gentle, relaxing techniques to address specific concerns related to pregnancy, such as lower back pain, swelling and hormonal changes.

During a pregnancy massage, the therapist will typically position the client on her side with pillows for support and avoid pressure points on the abdomen and legs.

The massage may include techniques such as gentle Swedish massage, lymphatic drainage, or acupressure, depending on the needs and preferences of the client.

75-mins £95.00

LYMPHATIC DRAINAGE MASSAGE

Lymphatic drainage massage is a specialized massage technique designed to stimulate the lymphatic system and promote the natural drainage of lymph fluid from the body's tissues. It involves gentle, rhythmic massage strokes that help to move the lymphatic fluid towards the lymph nodes, where it can be filtered and eliminated from the body.

LUXURY FOOT MASSAGE

The feet hold many energy points linked to almost every part of the body. They connect us to the earth, providing stability and grounding, and, quite literally, bear the weight of the day. A foot massage is a great way to show appreciation and offer daily relief to this very deserving part of your body.

30-mins £45.00

LUXURY HEAD & FOOT MASSAGE (CHAIRMAN'S SPECIAL)

The head and feet have many powerful energy points connected to the brain and the rest of the body. These two very simple routines can invoke relaxation, restoration, and rejuvenation, all at the same time.

60-mins £75.00

LUXURY HEAD MASSAGE

The head is the most significant part of the body. It encompasses seven vital openings the eyes, ears, nose, mouth, and one principal opening, the crown of the head. There are also vital energy points over the entire head that connect to the brain and the mind (including the subconscious).

This massage promotes deep relaxation and the release of tension, benefits memory, cognition, and alertness, brings clarity and strength to the senses.

30-mins £50.00

FREESTYLE FIRM PRESSURE MASSAGE

This is a vigorous workout for the body, perfect to alleviate high stress levels. Tailored entirely to your needs, it leaves you feeling grounded and focused. Your therapist will select an aromatic oil according to your concerns, be it muscle pain or the need for stress relief, relaxation, or emotional balance.

Skin is prepped to release toxins and the flowing massage works deeper and deeper into the tension, encouraging optimum circulation. As effective as an hour's stretching, but so much more nurturing.
